

Dear Parent / Guardian,

As part of the school's Learning for Life Programme, the school conducts a 3-day 2-night residential camp for our secondary one students. The camp, which will be held at the MOE Labrador Outdoor Adventure Learning Centre from 2 to 4 March 2023, aims to develop our students' resilience and teamwork through various outdoor education activities.

The camp will be conducted by the PE teachers and your child/ward's Form Teachers will be accompanying them. Certified instructors will be engaged for the kayaking, rafting, as well as height-based activities. Please refer to the attachments for details of the camp programme and packing list. For details on the enhanced safety measures for height-based activities, please refer to the link below.

The cost of the camp, at \$140 per student, is fully subsidised by the school. All students are encouraged to attend the camp. Students who are not able to attend the camp due to valid reasons are required to report to school from 7.30am to 12.30pm on 2 – 3 March 2023.

We seek your consent for your child/ward's participation in the camp and the water-based activities. Please indicate your consent by replying to this PG notification by Friday, 3 February 2023.

For enquiries or clarifications, please contact Mr Ng Zhi Xian (HOD PE & CCA) at Tel: 6443 6848 or email: [ng\\_zhi\\_xian@schools.gov.sg](mailto:ng_zhi_xian@schools.gov.sg)
