

## **Unofficial Canoeing Training Outside of CCA Hours**

**Posted on 6 Feb 2024.**

Dear Parent and Guardian

Some of our canoeists have expressed interest in receiving additional training with the school coach (Coach Shona) outside of official CCA hours. While we appreciate their dedication to the sport, we would like to clarify that these training sessions are not considered official CCA days and therefore fall outside the school's purview. The school is unable to support nor endorse such training sessions. Additionally, the school's insurance coverage does not extend to students participating in these unofficial training sessions.

For students who are keen to train beyond the official school training sessions, we encourage parents to consider enrolling their children in the ActiveSG Canoe Academy, which offers opportunities for students to further develop their interest in canoeing in a safe and supported environment.

We would like to assure you that any future events or trainings scheduled outside of regular CCA hours will be promptly communicated to you via the Parent Gateway.

Should you have any questions or concerns, please do not hesitate to reach out to us. We value your partnership in providing the best opportunities for our students, and together, we can nurture their passion for canoeing in a responsible and secure manner.

Thank you once again for your ongoing support.

Warm regards,

Ms Dolly Khoo

Ms Rohasliza Rohmadon

Mr Coleman Tong

Ms Katijah
