

Sec 401 to 404 Learning Journey to Nanyang Polytechnic (28 March 2024)

Posted on 15 Mar 2024.

Dear Parent / Guardian,

Your child/ward will be attending an Educational and Career Guidance (ECG) learning journey to Nanyang Polytechnic (NYP).

To help students understand the various schools and courses available in the Polytechnic, students will be attending course advising sessions conducted by the lecturers. Students have pre-selected their two course advising preferences.

The course advising sessions facilitated by the NYP lecturers will enable students to learn and ask questions in small-group settings to help them make more informed decisions on their post-secondary educational pathways.

The application for Polytechnic Early Admissions Exercise (Poly EAE) for Sec 4E5N students will commence in end June.

In addition, Sec 4NA students can learn more on the Polytechnic courses to work towards the Polytechnic Foundation Programme (PFP).

Details of the schedule are as follows:

Time of programme: 3.00 pm – 5.00 pm

Venue: Nanyang Polytechnic

Students will be dismissed from school upon arrival.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully
