

Secondary 1 HBL Day on 22 March 2024

Posted on 15 Mar 2024.

Dear Parent / Guardian,

As per our school calendar, Friday 22 March 2024 was scheduled to be Careers Day for all students. We planned to provide students with additional industry knowledge and experiences through our Education and Career Guidance (ECG) learning journeys.

However, we were not able to secure meaningful ECG-related learning opportunities for the Secondary One cohort.

Hence, we would like to inform that our Secondary 1 students will have Home-Based Learning on Friday 22 March 2024. Their HBL schedule is per every Odd Friday.

For clarifications, please contact me (ng_wei_yin_carrissa@schools.gov.sg) at Tel: 6443 6848.

Thank you.

Yours faithfully

Ms Lorraine Ng
