

Secondary 2 Careers Day on 22 March 2024

Posted on 15 Mar 2024.

Dear Parent / Guardian,

We would like to share with you the Careers Day programme for our Secondary 2 students. To imbue greater Educational and Career Guidance (ECG) awareness and help students discover and pursue their interests and skills, the school has partnered with The Astronauts Collective (Day X Programme) to introduce various Worlds of Work.

During the Day X programme, students will experience two job tasters and learn from the industry practitioners through the in-person engagements. Through the personal sharing, students can reflect on their own strengths and interests, and make more informed decisions on their post-secondary educational pathways and careers.

Details of the schedule are attached.

You may wish to engage your child/ward in discussions on the learning from Careers Day, aspirations, strengths, interests and support him/her in his/her ECG journey.

For clarifications, please contact me (ng_wei_yin_carrissa@schools.gov.sg) at Tel: 6443 6848.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng

HOD/CCE
