

Secondary 3 to 5 Careers Day on 22 March 2024

Posted on 15 Mar 2024.

Dear Parent / Guardian,

We would like to share with you the Careers Day programme for our Secondary 3 to 5 students. To imbue greater Educational and Career Guidance (ECG) awareness and prepare students for their tertiary education and beyond, the school has arranged a few talks to help students explore, aspire, discover and pursue their interests and skills.

Upper Secondary students will get to attend a talk of their choice on one of the following educational pathways: (1) Junior College education, (2) Polytechnic Early Admissions Exercise (Poly EAE), (3) Polytechnic Foundation Programme (PFP), (4) Institute of Technical Education (ITE) or (5) Nanyang Academy of Fine Arts (NAFA). In addition, various Institutes of Higher Learning (IHLs) will also set up Career Booths for students to visit and enquire.

Furthermore, we have invited various industry practitioners and speakers whom students will interact with and learn about what they do. Through the personal sharing, students can reflect on their own strengths and interests, and make more informed decisions on their post-secondary educational pathways and careers.

Details of the schedule are attached.

You may wish to engage your child/ward in discussions on the learning from Careers Day, aspirations, strengths, interests and support him/her in his/her ECG journey.

For clarifications, please contact me (ng_wei_yin_carrissa@schools.gov.sg) at Tel: 6443 6848.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng

HOD/CCE
