

## **Police Advisory For Parents/Guardians on Sexual Offences**

**Posted on 2 Apr 2024.**

Dear Parents/ Guardians,

Bedok Neighbourhood Police Centre would like to share Crime Advisory for the month of April on Sexual Offences. It is also one of the most prevalent crimes among youth populations globally, including Singapore. Youths may not fully understand the consequences of their actions or may have difficulties regulating their impulses.

Understanding the underlying factors driving this trend is crucial in addressing and mitigating its impact on youths and the Singapore Police Force would also like to seek parents' assistance to adopt proactive steps to mitigate their children's involvement in sexual offences, and be aware of the help available. More details can be found in the Police Advisory Letter from the SUPT Bernice Ong, Commanding Officer of Bedok Neighbourhood Police Centre.

The advisory is attached for your reference.

Best Regards,

Mr Lim Jing Kai
