

Sec 4E5N ApLM@Poly – Fun with F&B Entrepreneurship

Posted on 21 Feb 2024.

Dear Parent/Guardian

With your consent for your child/ward's participation in ApLM@Poly (Applied Learning Module), we are writing to share details of the ApLM.

ApLM@Poly broadens the learning experiences of students and complement the secondary school curriculum with a focus on the practical application of knowledge. These modules provide our students with applied learning opportunities – learning that involves doing and applying, learning about the real world, and learning for life. ApLM@Poly also allows students to discover their interests and strengths and make informed education and career choices.

The details of the programme are as follows:

ApLM@Poly: Fun with F&B Entrepreneurship

Venue: Republic Polytechnic

Date: 28 Feb to 1 Mar 2024

Time: 9 am to 4 pm

Attire: PE T-shirt, school skirt/pants

Students will report to school as usual. Two-way transport is provided and students will be dismissed from school upon arrival.

As part of the ApLM curriculum, students will attend a learning journey to Jewel to learn about the F&B establishments in the afternoon of 29 February 2024.

In addition, students are expected to attend all days of ApLM@Poly and if they are unwell, documentary proof must be provided to their Form Teachers.

As 1 March 2024 is our school's scheduled Home-Based Learning day, students are expected to complete the HBL work as assigned.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully
