

2024 B Division Rugby Competition Match Updates and Extra Training Sessions

Posted on 22 Feb 2024.

Dear Parent/Guardian,

First and foremost, on behalf of the Rugby teachers, I would like to express our heartfelt gratitude for your tremendous support in your child/ward's journey in the Rugby CCA thus far. Thank you for partnering with us. Your commitment to the positive holistic development of your child is truly inspiring.

As we gear up for the upcoming 2024 B Division competition, I am pleased to share the updated training schedule with you. Please take note of the dates and timings as we have included additional sessions to ensure our Rugby boys are well-prepared for their games. Additionally, there might be few revised match dates in case of unforeseen weather circumstances.

I kindly request your assistance in ensuring that your child/ward attends these CCA training sessions punctually with the necessary equipment. Our Rugby teachers will continue to look out for the well-being of your child/ward. Your involvement will also make a significant difference during this exciting and challenging competition period for your child/ward.

Should you require any assistance or clarification, please do not hesitate to reach out to me via email at viknesh_m_pasupathi@schools.gov.sg or through my mobile at 81619215.

Thank you

Warm regards,

Mr. Viknesh

CCA Teacher I/C of Rugby
