

Cultural Performance Exposure Scheme

Posted on 22 Feb 2024.

Dear Parent/Guardian

We are pleased to inform you that your child/ward will be attending a Chinese Drama Performance under the Cultural performance Exposure Scheme.

The Cultural Performance Exposure Scheme (CPES) (“文化随意门”计划) is an initiative by The Committee to Promote Chinese Language Learning (CPCLL) since 2009. The objective is to enhance students' interest in Chinese Language and Culture through attendance at Chinese cultural performances at public performing arts venues.

The activity will be held on 5 April (Fri). Please note that the ticket for this performance is fully subsidised by the school. Two-way transport will be provided to and from the performance venue. Students are to assemble in the school canteen by 2.00pm in their school uniform and they will be dismissed from school upon return.

Please refer to the attachment for more details.

Participation in the activity is compulsory unless there are valid reasons. We believe your child/ward will have an enriching learning experience.

If you have any queries, please contact Mr Zhu Liang (CPES coordinator) at Tel: 64436848 or email him at zhu_liang@schools.gov.sg

Thank you for your support.
