

Integration Programme (8 March 2024)

Posted on 26 Feb 2024.

Dear Parent/Guardian

With our school's efforts in helping international students and permanent residents (ISPR) to integrate better into our education system and the wider Singapore community, the school is organising a semestral Integration Programme.

The participants of the Integration Programme will include both local and ISPR students to encourage meaningful interactions between them, and to build greater understanding, awareness of and appreciation for diversity in our society. The level activities will also enable students to learn about some of the shared cultural activities and experience.

The programme is held in school on Friday, 8 March 2024 as follows:

Reporting Time & Venue: 12.30 pm (School Canteen)

Programme Duration: 12.30 to 2.30 pm

Level – Activities

Secondary 1: Traditional Games

Secondary 2: Batik Painting

Secondary 3: Rangoli Sand Art

Lunch will be provided and students will be dismissed after the end of the programme.
