Dear Parent / Guardian,

2023 Applied Learning Modules (ApLM@Schools)

We are writing to inform you that your child/ward will be participating in an Applied Learning Module of their choice to broaden and enhance their learning experiences to help them discover their strengths and interests. Through the programme, students will be exposed to possible courses of study in the Institutes of Technical Education, Polytechnics, as well as new career pathways.

The students will also be attending a learning journey to one of the organisations related to the field of the module to deepen their understanding and learning of the industry and to interact with the industry professionals.

The details of the programme are as follows:

Class	Date	Time	Venue
303 304 305	22 to 24 May 2023 (Monday to Wednesday)	7.30 am to 4.00 pm	School
	23 May 2023 (Tuesday)	1.5 hours duration during curriculum time	Learning Journey to ApLM-related organisation

The ApLM is compulsory for all students. With the provision of subsidies from MOE, the amount payable by each student is \$25. For Singapore Citizens, this amount will be deducted from their Edusave Account. For non-Singapore Citizens, and those with insufficient fund, cash or cheque payment must be made at the school General Office prior to the programme.

Students are expected to attend all sessions of ApLM and to report to school as per usual. If they are unwell, documentary proof must be submitted to their Form Teachers.

For clarification, please contact me at ng_wei_yin_carrissa@schools.gov.sg or Tel: 6443 6848.

Thank you for partnering the school in supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng
HOD/CCE
