

Dear Parent/Guardian

As part of the school's Applied Learning Programme on Environmental Sciences and Sustainability, your child/ward will be participating in a learning journey to the Edible Garden City.

The objective of the learning journey is to expose students to the concept of sustainable farming with reference to Singapore's "30 by 30" goal to build up our agri-food industry's capability and capacity to produce 30% of our nutritional needs locally and sustainably by 2030.

Details are as follows:

Date: 17 May 2023

Time: 2.30 pm – 4.00 pm

Venue: 60 Jalan Penjara Singapore 149375

Students will be dismissed from lessons at 1.30 pm for lunch. Transportation will be provided to and from the venue. They will be dismissed upon return to school at about 4.40 pm.

Thank you for your support.

Best regards

Mr Justin Thong

HOD/Science
