

Dear Parents/Guardians,

The Polytechnic Early Admission Exercise (EAE) will begin from 22 to 28 June 2023. Students. It is an aptitude-based admissions exercise that allows students to apply for and receive conditional offers for admission to polytechnics prior to receiving their final grades. It allows the polytechnics greater flexibility to select and admit students based on their aptitudes and interests, apart from academic grades, thus allowing a wider range of talents to be recognised.

All Polytechnics have arranged for EAE talks and webinars for students and parents. If you are interested, you can click on the respective links to find out more and register your interest.
