

Dear Parent / Guardian,

As per the school calendar, the Sec 1 Inter-Class Games (ICG) will take place on 24 May 2023 (Wednesday), from 3 to 6pm. Your child / ward has been learning how to play the game over the past 5 months and will test their skills and teamwork against peers from other classes in the Inter-Class Football tournament. The ICG also serves as a valuable class bonding experience.

Here at Damai Secondary School, all students will participate in the ICG based on their preferred level of competitiveness. The “Cup” tournament involves a higher level of competitiveness and is for students who wish to challenge themselves against the better players in the other classes. The “Plate” tournament is less competitive and allows students to enjoy friendly competition with their schoolmates. Both tournaments will take place in school and students will be dismissed at about 6pm. Students who are medically exempt from competitive sports will participate as team managers, coaches, or tournament administrators.

Thank you and please feel free to contact me by replying to this message for any further clarifications.

Regards,

Mr Ng Zhi Xian
