

POLICE ADVISORY FOR PARENTS/GUARDIANS

Dear Parents/Guardians,

Large crowds are expected at the various bazaars popping up around the island during this period.

2 The Police would like to advise the public to remain vigilant against crime by adopting the following measures:

- 1 Look after your belongings at all times.
- 2 Be alert of your surroundings. When possible, move away if someone stands or sits exceptionally close to you.
- 3 Avoid wearing excessive jewellery and carrying large sums of cash.
- 4 Sling your handbag in front of you and ensure that it is fastened or zipped at all times.
- 5 Dial '999' if you require urgent assistance.

3 In addition, the Police would like to remind the public from using sparklers as improvised explosive devices. Such improvised explosive devices are potential fire hazards, cause noise pollution and undue alarm to the public. The blast effect from the explosion can also cause injuries and damage property. Anyone caught setting off improvised explosive devices may be prosecuted in Court.
