Dear Parent / Guardian

1. The Health Promotion Board (HPB)'s School Health and Dental Services will be conducting its annual health screening, immunisation and dental services for your child/ward in school. These services ensure the protection of your child's/ward's health and early detection of health issues.
2. The letter from HPB to Sec 1 parents/guardians, with the steps to take for submitting consent for vaccination and dental services, is attached

Your consent is needed to ensure your child/ward receives these important health and dental services provided. You may access the Child Consent Portal via the link below.
