

Invitation to participate in MOE-commissioned research project

Dear Parents/Guardians,

If your child/ward and yourself have participated in the SKIP and SKIP-Up studies before, you and your child/ward are invited to join the follow-up to the research project "Understanding the Development and Drivers of Adolescents' Educational Pathways: The Singapore Longitudinal Cohort Study (SG-LCS)".

This study serves to help the research team understand students' experiences and development from childhood through adolescence.

Please refer to the flyer attached for information on the eligibility criteria for participating in the study and other details.

Thank you and wishing you a pleasant day ahead.
