Dear Parent/Guardian

SUBJECT COMBINATIONS 2026 AND SUBJECT PLACEMENT EXERCISE

We are pleased to inform you of the subject combinations we will be offering our Secondary Three students in 2026. Please refer to Annex A for details.

2 Secondary Two students who meet the promotion criteria will be required to indicate their choice of subject combination for their secondary three year after the end-of-year examination. This will be done through an online portal which will be made accessible between 24 October and 31 October 2025. Instructions on how to access the module as well as the selection of choices of subject combinations will be issued to your child/ward on 15 October 2025.

3 Your child/ward will be briefed on the demands of the new subjects offered at the upper secondary level, particularly the electives, and the timeline for the subject placement exercise which is as follows:

Date(s)	Activity
24 October – 31 October 2025	Selection of subject combinations via online portal
6 November 2025	Release of streaming results
7 November 2025	Appeal for change of subject combinations
14 November 2025	Release of final list of 2026 Secondary Three classes

4 You may wish to discuss with your child/ward his/her preferred choice of subject combination taking into consideration his/her strengths, aptitude and interests. He/she could make preparation to ensure that the eligibility criteria, if any, are met. Your support and encouragement will be helpful for him/her in making an informed decision.

5 For enquiries or clarifications, please contact Ms Lenny Marlina Mohamed, Year Head, at email address: lenny_marlina_mohamed@schools.gov.sg or Tel: 6443 6848.

6 Thank you for your partnership with the school.

Yours faithfully

Chan Wan Siong
