

Dear Parents/Guardians

Last year, the Singapore Examination and Assessment Board (SEAB) shared that the 2023 GCE N- and O-Level Oral Examinations would be streamlined to nine half days and three full days. Schools could convert the three full days (25 – 27 July) to Home-Based Learning (HBL). This was reflected in our school calendar.

As the system enhancements for the conduct of the new full-day GCE oral examination will not be in time for 2023, SEAB, in consultation with MOE, has decided to reschedule the implementation of the full-day oral examination to 2024. With this, the 3-day HBL will only be required from 2024.

The revised 2023 GCE N- and O-Level Oral Examination Schedule is as follows:

· **GCE O-level**

- o **MTL B Oral Examinations: 6 Jul**
- o **MTL Oral Examinations: 7 – 17 Jul**
- o **EL Oral Examination: 25 Jul – 3 Aug**
- o **HMTL Oral Examination: 28 Jul – 3 Aug**

· **GCE N-level**

- o **EL Oral Examinations: 11 – 17 Jul**
- o **MTL Oral Examinations: 25 – 27 Jul**

I am pleased to inform you that these changes, together with dates for our S1 Public Speaking Workshop and S2 NPCC Adventure Training Camp, have been included in our 2023 School Calendar [updated 30 January 2023]. You may wish to view the updated copy of the school calendar at our school website. Thank you

Best regards

Ms Chan Wan Siong
