Dear Parent/Guardian

Secondary 4 ECG Learning Journey to Lifelong Learning Institute

To enhance students' knowledge and to enable them in their journey of self-discovery and career awareness, your child/ward will be visiting the Lifelong Learning Institute to attend the Worlds of Tomorrow programme. This career exploration programme exposes students to meaningful careers that contribute to the world around us, in small and big ways. After all, a meaningful career may not always be only about pay and working hours.

The programme is scaffolded with a structured exploration framework that guides the participants in translating broad career interest and aspirations into practical post-secondary education next steps that can equip them with the skills to undertake careers that contribute to the worlds of tomorrow.

Your child/ward has registered his/her interest in attending the Green Economy – A Green & Sustainable World. The schedule is as below:

Class	Date	Time
401 – 405B Selected Students	1 February 2023 (Wednesday)	2.00 p.m to 5.30 p.m

One-way transport will be provided. Students will be dismissed from the venue at Lifelong Learning Institute (11 Eunos Road 8 Singapore 408601) after the programme.

For clarifications, please contact me (ng_wei_yin_carrissa@schools.gov.sg) at Tel: 6443 6848.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng
HOD/CCE
